## Did you Know.....

St. James' sponsors a child through Compassion Canada, Vamshi lives in India and is nearly 14 years old. If you and your family would like to write a letter to Vamshi, please let us know, as I am sure he would love to hear from us! Vamshi's birthday is April 8th. Perhaps your family would like to choose a birthday card for him?

## What does the St. James' Sign Say?

If you have any suggestions for messages, please let Brenda Sawchuk know. If you would be able to help to get the message out to our community, please let Brenda know.

Due to lack of response Celtic night was cancelled on January 29. 17, we may try again in the fall.
